The expenditure has been already incurred out of the amount provided under the budget estimate for 1927-28 the object raised by the Audit Department is that the supply of uniforms to peons and all servants is of an annual nature and hence sanction of Govt is necessary

Draft Sanctioning the expenditure incurred is submitted for approval The DC recommends sanction, as a special case In the case of the Taluk Board Chairman it was considered not necessary to supply clothing to menials

Rs. 15

The Budget file is put up (Flag H) -

The expenditure is small & thanks already incurred - Do not think provision made in any other manual budget heads, I think provision have been made by other Taluk Bds for executive staff such as Taluk Secretaries etc This seems necessary for peons etc

Sir,

I have the honor to state that the Municipal Council while considering the Budget Estimates of the Council for the year 1927-28, resolved at their meeting held on 25th June 1927 that a sum of Rs 300/- may be provided for clothing charges to Municipal staff at the expense of the Council and this was approved by Government when they sanctioned the Budget of this Municipality for the year 1927-28

Under this authority a sum of Rs 687-11-3 was spent as detailed in the margin for supply of uniforms to the peons and other unicipal staff during the year 1927-28 The Assistant Comptroller who audited the accounts of the Municipality in October 1928, observed in his kaxxxx Notes of Inspection that the supply of Uniform to peons and unicipal servants is of an unusual nature and the scale of supply and the cost thereof has not been laid down by any order of Government and as such the sanction of Government is necessary to admit the expenditure in the accou
